Not an end but a beginning:
That is why graduation is called
commencement. The word
means just that. The seniors
have approached their com-
mencement. They have come
this far, but it is only a begin-

Mr. Miller

Mr. Leslie Miller is seeing the first senior class of Mesa High School graduate this year; at the same time he is seeing another class enter. He has inspired many students and kept their spirits high at all times. While facing the many problems that arise during the year, Mr. Miller still finds time to help form many of the traditions of Mesa. He has been the key person in a faculty that has molded and guided the student body to be the right kind of citizens. And, as the years pass and we graduate, Mr. Miller will be one of the ones we will always remember.

Mr. John McGowen

Mr. John McGowen is recognized for his firm desire to help better Mesa High. His concern and interest in the student body have done much to encourage success in individual students. As Vice-Principal, he has met all tasks placed before him with spirit and understanding.

Mrs. Lila Schoenmehl may also be credited for her successful years at Mesa High. As girls' Vice-Principal, she has met all students, both girls and boys, with wisdom and understanding. Her faith and trust in the student body has made her one of Mesa's most important figures.

Mrs. Lila Schoenmehl

Mr. Max M. Russell has devoted himself to his position as superintendent of the Newport Harbor Union High School District. He has put forth much effort to keep Mesa High an outstanding school. He has the responsibility to keep things running smoothly and efficiently. Mr. Russell has played a big part to fulfill the dreams of Mesa High.

● Dr. Loats, as assistant superintendent of the Newport Harbor Union High School District, is facing many responsibilities with unending concern and interest. If there is a chance to improve any teaching methods in the school, he is not easily discouraged. The Board of Trustees works with both Mr. Russell and Dr. Loats. It is the Board that decides all financial matters pertaining to the district. With Mr. Russell, Dr. Loats, and Mr. Miller, the Board helps to select any new faculty members. Dr. Loats and the Board have met all of these duties with great enthusiasm. Mesa High deeply thanks them for all the help they have given us in the past years helping to make Mesa High and the Newport Harbor Union High School district second to none.

COSTA MESA
HIGH SCHOOL

We dedicate our 1962 "Roundup" to a group well worthy of this honor. Four years ago they entered Costa Mesa High School as Freshmen. Now as Seniors and our first graduating class they have demonstrated leadership, honor and loyalty which has played a large part in setting the traditions of Mesa High.

Having completed their Freshman, Sophomore and Junior years the Senior class comes to a conclusion. Yet this conclusion is not an ending but a beginning. They have come this far and they will go much farther along the many walks and pathways of life.

SENIOR CLASS OFFICERS

Our first Senior class has come into being. Bob Colwell, the first Senior class President, has served us well with the help of Jack Fletcher, Vice-President; Coral Coonrod, Secretary; Sandi Allen, Treasurer; Alan Grant, Boy's Representative; and Jean Yard, Girl's Representative.

While graduating, some going to college and others into the community, the Senior class leaves part of itself forever. The Seniors leave a legacy of pride in what our school has become in these four years and the many more to come.

Sophomore Class

Our third sophomore class has done a good job serving our school this year.

Their officers were Randy Hetrick as President, Coty MacGregor as Vice-President, Connie Bailey as Secretary, Carol Keyes as Treasurer, Bren Jundanian as Boys' Representative, and Kathryn Collins as Girls' Representative.

Their help and enthusiasm have been an inspiration to us and we indeed appreciate it.

Student Body President
Jed Houston

Jed Houston started his High School career at Mesa four years ago. He has long been known for his qualities of friendliness, leadership, and efficiency. He has proven an inspiration to the student body.

In addition to taking on the responsibilities that come with the highest office that a student can hold, Jed has taken an active part in sports. During his junior and senior years he was active on the varsity football team. We are happy and proud that Jed was chosen to represent our school as President.

Vice-President
Dennis Perrin

Secretary
Kathy Long

Working together the officers of the student body have put forth great effort and contributed much to the betterment of our school. Assisting the President, Jed Houston, Dennis Perrin has shown that he is more than willing to accept the responsibilities that go with his office of Vice-President of the student body.

Student body Secretary Kathy Long has efficiently handled her job of taking minutes at the council meetings.

Tom Woodrich has done his part by showing good management of funds in the Treasury.

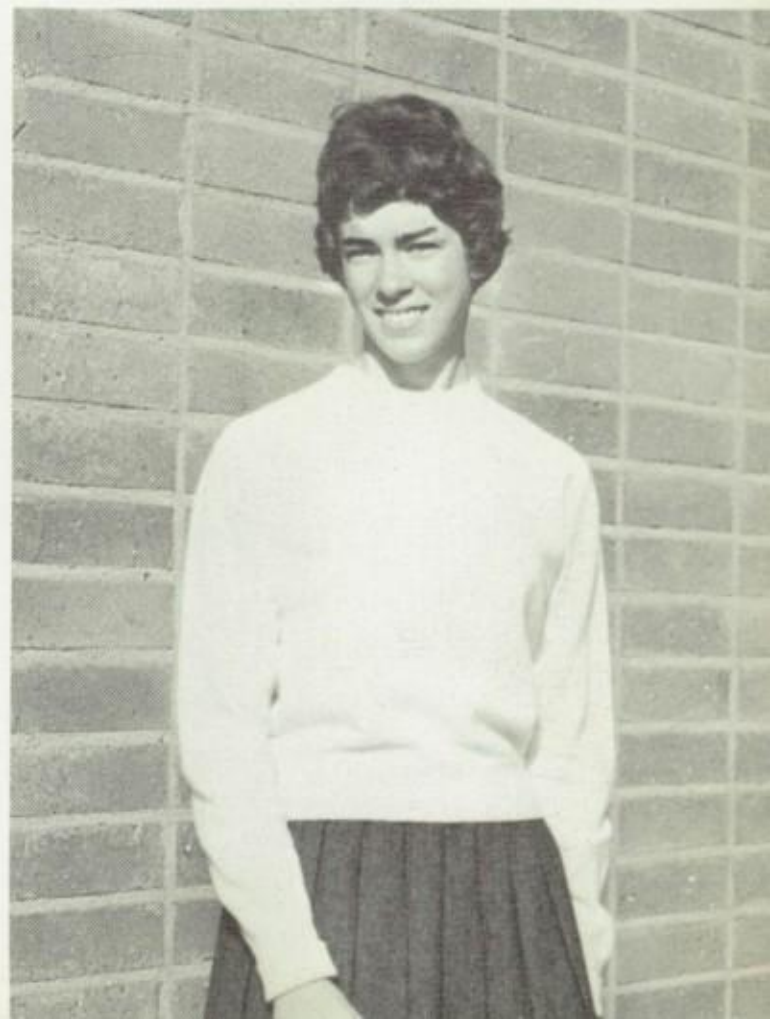

Also, Chris Cullen attends all the student council meetings and represents our school at all important state-wide council meetings when they are held.

One and all, they should be deeply thanked for putting their talents into serving our school.

Tom Woodrich
Treasurer

CASC Representative
Chris Cullen

Student Court Judge
Jim Curtis

This year Student Court continues to carry on its endless job of encouraging the pupils to take care of their campus and to respect the rules that make it possible for a large group of people to work together systematically. Jim Curtis, Student Court Judge, has worked unceasingly with the rest of the court to carry out this task.

Office

Delivering important notices, assisting in the office, helping to keep things in order—this is the job of the "office help" at Mesa. These students find their way into every room on campus each day. Without the help of the office girls this job could not be done so well.

Mesa High Band—
Mesa's Marching Band joined the newly formed Drill Team this year in making the half-time programs especially fun and interesting.

Marching Band

Drill Team—

For the first time Mesa had a drill team. The girls worked very hard to master the complicated routines which entertained us all at the half time programs. Special thanks to Mrs. Casey, and the wonderful job she did as group sponsor.

The 1961 Mustangs were a much better team than their two-won, five-lost record implied. Two of their losses were by less than one touchdown. Sparked by Cary Carr, Dennis Perrin, and John Leffingwell, the Mustangs were never badly beaten. In the final game of the season, threatened with a last-place finish, the Mustangs rallied to soundly defeat Orange, their opponent.

The Varsity Basketball team, coached this year by Jules Gage, was one of the best teams ever to be produced by the Mustangs. After finishing third in the Freeway League the Mustangs went on to upset the C.I.F. conference finals. Downing the tough Sierra team, Mesa passed easily by Rubidoux and Tustin only to be stopped by the Bell Garden Lancers.

G.A.A. Girl Of The Year

Mary Alice Fox was chosen Girls' Athletic Association outstanding senior girl for 1962. The award was based on leadership, participation—on the cabinet as well as in regular activities—sportsmanship, scholarship, and service to her school. Also, how well she lived up to GAA ideals and goals. She was chosen by the girls physical education staff.

Mesa High has finally come of age. Its first senior class has established the first traditions. School spirit has reached new heights, and the athletic teams have vanquished their foes. In four short years, through the many trials that a new school faces, Costa Mesa High School has proved to the county and to herself that she is second to none.

Many people have helped in preparing this book for publication. If it meets with your approval it is largely because of their efforts. Many thanks to the following:

To Mike Harris for doing such a professional job on all the artwork.

To Lana Ellis who, with the help of Judy White, "organized the organization."

To Mimi Nuzum who did a wonderful job on the girls' sports section.

To Dennis Myrick and Allerd Wellner who prepared the boys' sport section.

To Les Lockwood who accomplished the seemingly impossible job of getting the student sections ready for publication.

To Joann Basabe and Marilyn Boswell who were always ready to write copy for anyone who needed it.

To Deanna Martin who scraped and dug up candid photos for the candid section.

To Mrs. Jean Thomas who has been the yearbook advisor for the past four years. Without her I doubt very much whether the yearbook would ever have been possible. Again many thanks.

It has been a great honor to serve as the editor of the ROUNDUP for '62. I'd like to take this time to present this yearbook to the first senior class of Mesa High and to the entire student body with the hope that everyone enjoys reading it as much as I enjoyed helping to put it together.
